- ◻ Bermuda Dependency or area of special sovereignty
- ◻ Sicily / AZORES Island / island group
- ★ Capital
- Scale 1:35,000,000
- Robinson Projection
- standard parallels 38° N and 38° S

April 2000

States and territories have asserted the formation of a new independent state, but this state has not been formally recognized as such by the United States.

Representatives of several constitutional bodies have reached an agreement to transfer territory. Although the agreement has been signed, the agreement has not yet been implemented. This map shows the status of the territory as of the date of the agreement.

Boundary representation is not necessarily authoritative.
