THE AUTHENTIC DIFFERENCE.

A passion for uncompromising performance and quality is the essence of the Authentic Difference, and it's forged into every part and accessory we make. As the official parts and accessories division of Chrysler Motors LLC, Mopar is original equipment. Which means that every Authentic Jeep® Accessory by Mopar in this catalog is designed by a Chrysler Engineering Team — the people who know your Grand Cherokee better than anyone else.

Our product is a result of uncompromising standards. You'll recognize the difference in the tighter tolerances required of original equipment accessories. You'll see it in our materials, which provide a superior finish and an exact vehicle color match, as well as in the integrated fit that comes from utilizing the same computer modeling technology that was used to design your vehicle.

Our process is an adherence to stricter testing. You'll appreciate the difference in our rigorous evaluations, from demanding salt bath corrosion tests and impact performance tests to harsh on- and off-road durability testing. And you'll discover that all Authentic Jeep Accessories by Mopar are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

Our promise is demonstrated in our superior warranty coverage. When installed on a Jeep Grand Cherokee that's within the New Vehicle Limited Warranty period, Authentic Jeep Accessories by Mopar are covered by a 3-year/36,000-mile New Vehicle Limited Warranty, or a 12-month/12,000-mile Basic Limited Warranty, whichever is more favorable to you.* And these warranties are serviced by thousands of Chrysler Motors LLC dealerships throughout the country. That's a promise aftermarket brands simply can't make.

Whether you're looking to enhance your Jeep Grand Cherokee with premium protection, convenience, style or entertainment, choose the Authentic Difference. Just like our accessories, it's a statement — and a standard of excellence — you'll benefit from for years to come.
