The diagram shows an exploded view of a mechanical assembly, likely a valve or actuator. The components are numbered 1 through 10:

- 1: Main body assembly with multiple ports and a central shaft.
- 2: A small circular component, possibly a seal or gasket, located near the bottom center.
- 3: A long, angled lever arm with a circular end.
- 4: A long bolt or screw with a hex head.
- 5: A smaller body component with a central port.
- 6: A small circular component, similar to 2, located near the bottom center.
- 7: A small circular component, possibly a seal or gasket, located near the bottom center.
- 8: A long bolt or screw with a hex head.
- 9: A small circular component, possibly a seal or gasket, located near the top center.
- 10: A small circular component, possibly a seal or gasket, located near the top center.
