September 15, 2005

The diagram illustrates the assembly of a boat seat. The main view shows the seat base (1), seat back (2), and seat cushion (3). The seat back is composed of several parts: the backrest (4), the seat back cover (5), and the seat back cushion (6). The seat cushion is composed of the seat cushion cover (7), the seat cushion (8), and the seat cushion (9). The seat base is composed of the seat base (10), the seat base (11), and the seat base (12). A circular inset shows a close-up of the seat base assembly with callouts 15, 16, and 17.
